■ Two Departments
■ Automatic Tax Calculation
■ Five Position Mode Switch
■ 4 Bill, 4 Coin Compartment Cash Drawer
■ Owner Programmable Receipt/Journal Switch
■ Financial and Cash-in-Drawer Reports

FEATURES

A compact low-cost electronic cash register to meet the basic needs of any small business.

Automatic Tax Calculation

Taxes are computed for one tax table and automatically added to each sale. Tax status can be shifted as items are entered or at the completion of the sale.

Two Departments

The Samsung ER-150 features two departments and is designed for ease of operation and point of purchase control in small retail applications. Departments may be designated 'Single Item' for fast registration of single items sales.

Five Position Mode Switch

Off, R, X, Z, and P modes with the added security of an owner programmable security code on 'Z' report and programming mode.

Percent (%) Key

Percent discount operation can apply to a single item or an entire sale. The owner can choose to program a set rate or variable rates may be entered if no rate is programmed.

Financial and Cash In Drawer Reports

The Samsung ER-150 gives you a thorough review of your business with a complete analysis of your department sales, function totals and actual drawer totals to help you protect your valuable profits.
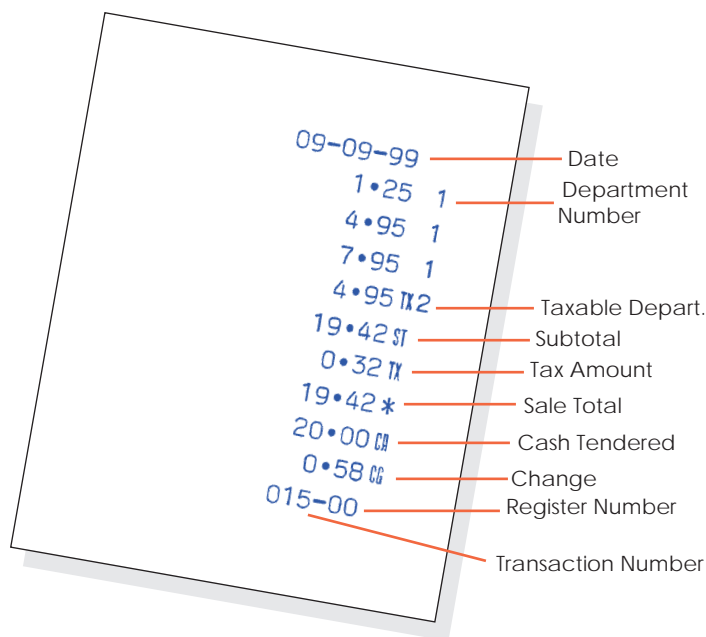

Additional Features

- Tax exemption by item or sale.
- Split tendering of payment between cash and charge.
- Easy to read display.
- Easy to install ink roller.
- Cash drawer with a 4 bill, 4 coin compartment.

CUSTOMER RECEIPT

With the owner programmable receipt/journal print feature the owner may choose to have a printed customer receipt or to print a journal record.
